EDUCATION

Institute Of Engineering & Management

Degree in Bachelor of Computer Application

GPA: 9.20

Kolkata

2023 - 2026

Narain Dass Bangur Memorial Multipurpose School

Degree in Higher Secondary Examination

Percentage: 69.83%

Kolkata

2022 - 2023

Narain Dass Bangur Memorial Multipurpose School

Degree in Secondary Examination

Percentage: 79.42%

Kolkata

2020 - 2021

SKILLS

Programming Languages: C, C++, Java

Libraries/Frameworks: Spring Boot

Tools / Platforms: Git, VS Code, Postman, REST API, Git Hub, Data Structure, OOPs

Databases: MySQL, Oracle

PROJECTS / OPEN-SOURCE

EMAIL GENERATOR AI | [Link](#)

Spring Boot, Java, JavaScript, Gemini

Email Generator AI is a user-friendly application built with Spring Boot, Java, JavaScript, and Gemini. It is designed to automate and customize email creation with ease. This project simplifies the process of generating emails with dynamic templates and features.

Language Detection Model | [Link](#)

Jupyter Notebook, CSS, Python, HTML, Flask

This project is a language detection model built using machine learning techniques. It can accurately identify the language of a given text input.

MEDICAL AI RECOMMENDATION SYSTEM | [Link](#)

Jupyter Notebook, Python, HTML, Flask

The Medical AI Recommendation System is designed to predict diseases based on user-input symptoms and recommend appropriate doctors based on the predicted diseases. This project utilizes machine learning and natural language processing techniques to provide an efficient solution for healthcare recommendations.
